Chapter 1 by George Langham

I decided to try an experiment and put all of my hard work to the test.

The next morning I got up and walked straight to my computer.

Chapter 2 by Always Patricia

"Computer," I announced, "I order you to fall in love with me."

Chapter 3 by Always Patricia

"INPUT NOT VALID" was my rather abrupt response.

This wasn't supposed to happen...? Oh wait, almost forgot! Grabbed my body spray deodorant, sprayed myself all over six or seven times, and tried again.

"Computer, I order you to fall in love with me!"

The computer blinked, then the screen went blank.

"I love you long time" was modulated through a Microsoft Sam voice.

Chapter 5 by the smiling man

I was...satisfied.

Chapter 6 by Dima

But the computer was not. It loved me again and again and pink screen continued blinking. "Please stop", I prayed. But the machine was not going to listen and kept doing its program, which, what a shame, I developed myself just yesterday.

I suddenly realized that I forgot to break a loop in my programm, and therefore the computer didn't have any instructions to stop.
